**UPDATE TO JUNE 30, 1998 MOTION: GRAND JURY RECOMMENDATIONS**

This is in response to your Board's June 30, 1998 motion instructing the Department of Children and Family Services to submit quarterly statistics reflecting visitation compliance for Group Homes to your Board and the Commission for Children and Families.

This report reflects the visitation compliance rate for the fourth quarter of 2000. October was 97%. There are no statistics for November or December 2000 because a compliance audit was not conducted for those months so that we could re-deploy existing compliance staff for a preliminary review of the federal "Outcome Measures and Systemic Factors" protocol comprises for the upcoming Federal IV-B Audit. We have now resumed the monthly compliance audit and the next report will reflect February and March 2001 statistics.

Attached is a detailed summary of visitation in Group Homes by Regional Office. If you have any questions, please contact me or have your staff contact Michelle Saulters at (213) 351-5787.
